Manufactured in the UK. The Ilizarov Frame Cover is totally unique and provides an option for a long-standing unmet need. Developed in partnership with Trauma & Orthopaedic nurses and manufactured in the UK by Beagle Orthopaedic, the Ilizarov Frame Cover has been met with nothing but positive feedback from staff and patients throughout UK hospitals. Offers a more discreet option and keeps dirt, dust and pet hair off the pin sites. Its main feature is to help prevent pin site infections and protect clothing and bed sheets etc. Manufactured from a breathable cotton to ensure that the air can still circulate around the pin sites to avoid infection. Specify the pattern required from the pattern swatch sheet when ordering.

To order a made-to-measure size, please contact customer services using code **ILFC/CTM** and state the circumference of the frame and length along with the colour/pattern.
