BioSkin Knee Skin

Material - Ultima

Hand Wash & Air Dry Only | Same Day Dispatch | Breathable | ISO:13485 Accredited

The Knee Skin provides a great option for mild knee pain due to instability or sprains. Manufactured in BioSkin's breathable, lightweight, and durable Ultima material, results in a comfortable knee sleeve that provides medical-grade compression to the knee joint. Compression improves stability, increases circulation, reduces pain, enhances recovery, and heightens the proprioception. These benefits work together, so your knee can work more efficiently and you can move without pain.

Indications for use

- Knee instability
- Mild knee sprains
- Mild knee pain

Features and benefits

- Flexible stays on each side provide light stabilisation to the knee
- Compression around the knee reduces pain and swelling
- Available with or without stabilisation straps
- Lightweight stability
- Performance enhancement
- Hypoallergenic and breathable
- No seams behind the knee
