ORTHOPAEDIC

**Provide 2 simple measurements & let us do the rest!**

**A hip & waist measurement is all we need**

*The perfect*

## SOLUTION

- » Indicated for spinal problems between T7 - S1
- » Compression fractures of the lower spine
- » Post-op stabilisation of the lumbar & lower thoracic spine

**Order up to 5pm for guaranteed next day delivery**

*Designed with*

## FEATURES

- » Designed to alleviate pain, limit motion & provide circumferential pressure to stabilise the spine
- » The anterior & posterior ABS modular components can be heated & flared to provide a more intimate fit
- » X-ray/MRI compatible
- » Strapping arrangement provides easy-to-adjust compression
- » Neutral pendulous, anterior insert panel, neutral or 0° posterior insert panels
- » Hypoallergenic, breathable foam wicks away moisture from patient's skin for increased comfort
- » Available prefabricated & custom
