

At Beagle Orthopaedic we are committed to ethical business practices and social responsibility. We recognise the seriousness of modern slavery and human trafficking and are dedicated to preventing such practices within our organization and supply chains.

Our Company: Mission Statement

To guarantee superior service to all our customers, within every part of the business; accountability, delivery, product, education, technology and progression.

To operate the company on a financial basis of profitable growth; offering increased value for all stakeholders. Maintaining the highest standards of employment and investing in personal development and career growth for our employees.

To carry out all decisions with the highest intention of integrity, actively recognising the end goal of improving the quality of life to all end users.

Our commitment:

Zero Tolerance: We have a zero-tolerance policy towards modern slavery, human trafficking and forced labour. We do not engage in our support of any form of exploitation.

Due Diligence: We will conduct due diligence assessments to identify and mitigate the risk of modern slavery in our supply chains and operations.

Supplier Engagement: We will work with our suppliers to ensure that share our commitment in combatting modern slavery.

Training: We will provide information to our employees and supply chain partners to increase awareness of modern slavery and how to report concerns.

Reporting: We actively encourage reporting of any suspicions or concerns related to modern slavery within our organization.

Manufacturing Facility: We employ approximately 76 people in the Beagle family. All employees receive at least the national minimum wage, 33 days paid annual leave and all have access to employee benefits package which includes private pension and private medical cover.

Supply Chain: We are dedicated to continuous improvement in this critical area, we have a commitment to working with more UK suppliers. Using more sustainable materials and innovative manufacturing methods.
